History of the Tournament

For more than 40 years, this signature event stands as one of Madison County's longest-running golf outings. Proceeds directly support the youngest and most vulnerable patients of the Peyton Manning Children's – St. John's Children's Clinic. The Clinic has been a lifeline for families for over 50 years, ensuring they don't have to choose between putting food on the table and securing vital immunizations for their children.

Tournament Format

A unique opportunity for golf enthusiasts - teams of four will be paired with a PGA professional. Teams will play a four-person scramble with the PGA professional playing their own ball. Teams may opt to take either the four-person scramble score or the PGA professional's score. Teams may also choose to use the PGA professional's drive. Mulligans for amateurs are included in registration.

Brian Hammons

Brian returns for his 13th year as tournament host. The Anderson, Indiana native and original Golf Channel on-air member has invited PGA professionals from across the state to compete in the Kids Classic Pro-Am

Prizes and Bragging Rights

PGA professionals will be competing for a total purse of \$12,000. The top ten professionals will be awarded a portion. Amateur teams will be awarded prizes for first, second, and third place.

Jim & (the late) Marilyn Ault

Helping others with healthcare needs, especially the poor and vulnerable, has always been a priority to Jim and Marilyn. This year will mark Jim's 16th consecutive year as Kids Classic Chair.
