

CIRCLE OF IMPACT

Called to Care

Peyton Manning Children's Hospital

Letter from the Chair

As Chair of Called to Care, I had the privilege of working alongside more than 100 remarkable women who each answered the call to serve this past year. Together, this extraordinary group supported patients and families, strengthened vital programs, and helped elevate the life-changing work happening every day at Peyton Manning Children's Hospital at Ascension St. Vincent.

As I reflect on all that we have accomplished together, I am reminded of the incredible power of women united for a shared purpose and how compassion, collaboration, and generosity can change lives. Whether you participated in one of our service activities, attended Wine, Women & Shoes, volunteered for the NICU Read-A-Thon or for Homecoming, or supported through membership contributions, each of you has helped bring hope and light to patients, families, and care team members.

This year, we were able to double our impact and award \$300,000 in Impact Grants to further the Mission and support Peyton Manning Children's Hospital. Each project will make a difference in meaningful ways thanks to your generous support. On behalf of the Called to Care Executive Committee and Ascension St. Vincent Foundation and the countless lives we have touched, thank you for your generosity. Together, we continue to make a lasting impact.

With gratitude,

Cali

Year in review

Fundraising events have played a crucial role in supporting Called to Care's mission. One standout event was Wine, Women & Shoes, which was hosted by Called to Care in September and attracted over 400 guests and raised over \$315,000 for Peyton Manning Children's Hospital.

Building on this success, additional events are planned for 2025, promising even more opportunities to engage the community and raise funds for these vital causes.

Impact Grants

2025 Impact Grants

\$100,000 Impact Grant

Intracranial Monitors for Pediatric Neurosurgery

This \$100,000 Impact Grant will purchase three new Pressio systems, which is a safer intracranial pressure (ICP) monitoring system with wider applicability for management of pediatric patients with traumatic brain injury at Peyton Manning Children's Hospital.

\$50,000 Impact Grant

Neptune Suction Device for Women and Infants Hospital Operating Room

This \$50,000 Impact Grant will equip the operating rooms at the Women and Infants Hospital at Ascension St. Vincent with a Neptune 3 Closed Fluid Waste Management System and one Smart Docking Station that will significantly enhance patient and staff safety, procedural efficiency, and hemorrhage response and better protect caregivers, improve real-time decision-making, and optimize outcomes for mothers experiencing life-threatening blood loss.

\$100,000 Impact Grant

Statewide Pregnancy and Newborn Education App

This \$100,000 Impact Grant will provide unlimited access to the app for all obstetrician patients across all seven delivering hospitals for three years, providing them with digital, evidence based and accessible education at their fingertips and helping Ascension St. Vincent take another step towards decreasing the maternal and infant mortality rate in Indiana.

\$50,000 Impact Grant

Crisis Resource Kits for the Child Abuse Team

This \$50,000 Impact Grant will support crisis resource kits, which will allow the Child Abuse team at Peyton Manning Children's Hospital to provide personalized kits in reusable bags for all levels of ages, including basic essential items such as diapers, clothing, small gifts, and toys that are crucial to caring for each child.

Membership dollars at work

100% of your membership supports Peyton Manning Children's Hospital! 10% funds service projects organized throughout the year, and all remaining funds are pooled and granted by vote to support priority needs at Peyton Manning Children's Hospital.

Renew your membership today by scanning the QR code. Membership registration occurs annually and is open now through April 1, 2026.

2025 Service projects

Called to Care members came together to participate in a variety of service projects throughout the year. A few highlights include:

- Creating sensory bags for the newly renovated Hilbert Pediatric Emergency Department
- Assembling graduation kits for babies graduating from the new Newborn Intensive Care Unit (NICU) at Women and Infants
- Lifting up care team members facing tough days with care packages
- Supporting the NICU Read-A-Thon with 1,000 donated books and 80+ volunteer hours

Thank you 2025 members for your generous support
