

Financial Assistance Available to Support Associates in Need

The Associate Financial Assistance Fund provides financial assistance for Ascension St. Vincent Associates to meet emergent financial needs. Associates of our Ascension partners do qualify for assistance if their organization does not have a hardship program. This program is primarily supported through the generosity of our associate contributions made during the Annual Associate Giving Campaign.

Assistance examples include:

- Rent, Mortgage
- Utilities
- Furnace/AC/Sewer Repairs
- Medical Expenses for the associate
- Expenses related to the death of an immediate family member
- Urgent Auto Repairs
