THE SPIRIT OF CARING®

Why we give

Every year, nearly 800,000 patients depend on St.Vincent for their health care—from the treatment of stroke, to the safe delivery of a premature baby, to the treatment of simple childhood illness. Our commitment to treating the whole patient—body, mind and spirit—brings patients of all ages, from all over Indiana, to our doors.

Since 1881, St.Vincent has been here to serve patients and their families in times of joy and in times of illness, pain and suffering. Our devotion to the mission of the Daughters of Charity has never waned.

“The poor will come and the rich will come, if they know they are going to be treated as people.”

—Daughters of Charity, 1881

A close-up, monochromatic blue-toned photograph of a woman with long, wavy hair gently kissing a newborn baby on the forehead. The baby is lying down, looking up towards the woman. The woman's hands are visible, supporting the baby's head. The image has a soft, intimate feel.

“I was pregnant with quadruplets. Early on, we were told the chance for bringing home all four babies at one time was slim. But thanks to St. Vincent, we brought home all four at once.”

—Jen, mother of quadruplets at St. Vincent Women’s Hospital

Why we share

Nearly \$100 million is provided by St.Vincent each year to help treat and heal patients in need. No one is ever turned away, not ever. Serving the poor is an integral part of the St.Vincent Mission.

Through such programs as the Joshua Max Simon Primary Care Center, charity patients are served with dignity and respect. Your contributions help us to help those in need.

*“We have a mission, a reason for being here.
To keep health care human—human for our
patients, human for our families, human for our
doctors, and human for all our associates.”*

—Daughters of Charity, 1881

Why we care

You can give the gift of hope. Good health is basic to the physical, social and spiritual well-being of all people. You can play a vital role in providing hope for a cure, for healing and for restoration of health to thousands through your support of the St.Vincent Foundation.

The St.Vincent Foundation provides support and grants to fund a wide range of hospital-related initiatives, all focused on helping those in need. From funding charity care to supporting the greatest needs of the Hospital at any one point in time, the St.Vincent Foundation depends on donor support.

Nearly 100 percent of your gift benefits St.Vincent patients through medical research, education, technology, equipment, programs and services.

*“We love the atmosphere at St.Vincent.
There’s a feeling of faith here. It’s bigger than
what the doctors can do. It’s what God can do.
They really live up to their Core Values.”*

–Monica, whose daughter had surgery at Peyton Manning
Children’s Hospital at St.Vincent

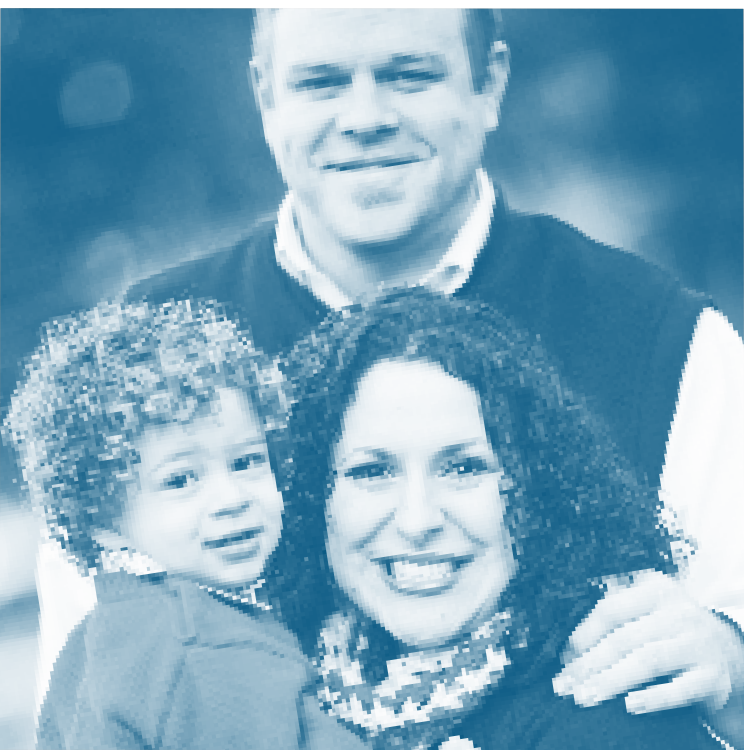

Giving, sharing, caring opportunities

St.Vincent Society

The St.Vincent Society, named in honor of St. Vincent de Paul, the Patron Saint of All Charity, recognizes annual contributors of \$1,000 or more. Members of this Society receive a token of membership, invitations to Foundation events, have their names listed on a plaque in the entryway of the Hospital, and are included in St.Vincent Society listings in the Foundation's Newsletter and annual report.

Seton Society

The Seton Society is named in honor of St. Elizabeth Ann Seton, who dedicated her life to healing, serving and caring for the sick. The Society recognizes donors who pledge or have contributed cumulative contributions of \$10,000 or more.

1881 Legacy Society

The 1881 Legacy Society was established to recognize and honor donors who have made a deferred gift or have included the St.Vincent Foundation in estate plans. Please contact the Foundation if you have already included, or would like information on including St.Vincent in your estate plans.

Honor/Memorial Gifts

A gift given to remember, honor or thank is a wonderful way to help those in need while paying tribute to family, friends or caregivers. Naming opportunities are also available for endowed funds or building projects at St.Vincent. Please contact the Foundation at 317-338-GIVE or visit give.stvincent.org.

“Words cannot adequately express our gratitude for your help. May God bless you incredibly as you continue to reach out to others in need.”

—A Grateful Patient
