Your Impact

Last year, associates across the state contributed **more than \$420,000** to support important programs like our Associate Assistance Fund. More than 140 associates across Indiana were helped last fiscal year through the program.

Because of generous associates like you, children were fed, families were given strength and relief, and our community and associates held on to hope when they needed it most.

Donation Levels and Gifts

We appreciate your support! Every donor to the 2021 Associate Campaign will receive an Ascension St. Vincent Foundation lanyard. Wear it proudly to show you've supported the world-class programs and services here at Ascension St. Vincent. Here are a few other items to show our appreciation for your support.
