Your Impact

Over the past 10 years, the Foundation has supported various programs across the state totaling over \$60M. From the St. Vincent House in the Central Region, the Hospital for Women and Children in Evansville, the St. John's Children's Clinic in Anderson to statewide associate assistance, nursing scholarships and much more, associates, patients and families are at the heart of everything we do across the state.

During the 2021 Associate Campaign, over \$450,000 was raised for the many important programs and services across all local ministries in Indiana. Your generosity makes a big impact!

Donation Levels and Gifts

We appreciate your support! Every associate donor will receive an Ascension St. Vincent Foundation sticker. Whether on your laptop case, favorite water bottle, or work station, we hope you proudly display it showcasing your support of the Foundation. Associates who donate throughout the Campaign will also be eligible for a chance to win additional weekly prizes.
